3	TTRockstars  Doodle English Doodle Maths Doodle Spell	Reading book
4	TTRockstars  Doodle Maths Doodle English Doodle Spell	Reading book
5	TTRockstars  Doodle Maths Doodle English Doodle Spell	Reading book
6	TTRockstars  Doodle Maths Doodle English Doodle Spell	Reading book

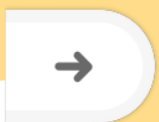

## Doodle

Doodle builds confidence and ability in maths by creating every child a personalised work programme tailored to their strengths and weaknesses. Using Doodle for just 10 minutes a day is proven to help children make three months of progress in just one month!

### Get started with Doodle

1. Scan the QR code to download the free apps and get logged in using the login information provided by your child's class teacher

2. Once logged in, create a parent account to track your child's progress. Press the arrow and select Settings > Parent details.

3. Use the DoodleConnect app or visit [parents.doodlelearning.com](https://parents.doodlelearning.com) regularly to keep up to date with your child's progress.

Click the green chat icon on the website to speak to our Parent Support Team or visit [help.doodlelearning.com](https://help.doodlelearning.com) for help articles.

Your children should have their doodle log in details, please let their class teacher know if you can't find this.

## Numbots

NumBots adopts the best teaching practises to take children from counting on their fingers, to adding and subtracting two digit numbers. The programme compliments what your child is learning in school and focusses on securing any gaps in their knowledge, before moving them onto the next challenge. This self paced journey improves children's confidence and means they are fully prepared to tackle each new topic. We recommend playing for at least 3 minutes a day, 4 or 5 days a week.

Go to <https://play.numbots.com/#/account/school-login/42278>.

Your child has been given a log in (look in their yellow reading book). If not, please ask your child's teacher.

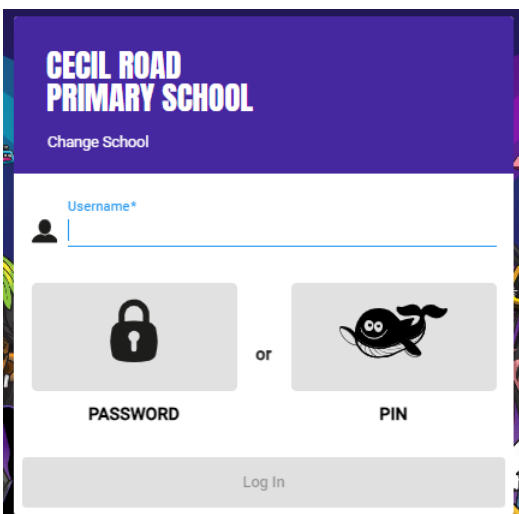

If you have any difficulties logging in or questions about NumBots in general, please contact your child's teacher (not NumBots themselves).

### **TTRockstars**

Times Tables Rock Stars is a trusted classroom resource that is helping boost multiplication and division recall and maths confidence of millions of students across the globe. It helps our children become fluent in their times tables, which in turn cuts delay in thinking time, and then your child to tackle more challenges in their maths lessons.

Go to <https://play.ttrockstars.com/login/42278>

Your child has been given a log in (look in their yellow reading book). If not, please ask your child's teacher.

If you have any difficulties logging in or questions about TTRockstars in general, please contact your child's teacher (not TTRockstars themselves).

## **FAQs**

### **Why doesn't the display very well on an iPad?**

Please rotate the device so that you are viewing it in portrait mode.

### **Is there an app?**

Yes, there is an app for Amazon, Android and Apple devices. Please go to the relevant app store to download the app for free.

### **Someone has logged in as my child and spent a load of their coins - what can we do?**

Let your child's teacher know so that they can refund your child and speak to the class about trust and online safety.

### **Where is your privacy notice?**
